

REMARKS

This corrected Supplemental Amendment is submitted in response to the September 1, 2004 Notice of Non-Compliant Amendment issued in connection with the above-identified patent application. This corrected Supplemental Amendment is identical to the June 18, 2004 Supplemental Amendment except that the designation "previously amended" has been replaced with the designation "previously presented" in claims 1, 2, 6, 14, 16, 17 and 19. Claims 24-44 which were added by way of the August 24, 2004 Supplemental Amendment remain designated as "new". By this Amendment, new claims 24-44 have been added. Of these new claims, claim 24 is the sole independent claim. Upon entry of this Supplemental Amendment, the total claims will be claims 1-44, of which claims 1, 19 and 24 are independent. The new claims are directed to specific features of the subject invention. No new matter has been added. It is believed that the fee of \$378 for the 21 additional claims has already been charged to our Patent and Trademark Office Deposit Account No 03-2412. However in the event that the fee has not yet been charged, authorization for that charge is hereby provided. Any additional fees should also be charged to our Deposit Account No. 03-2412.

It is respectfully requested that the Examiner consider the foregoing new claims 24-44 in view of the Remarks set forth in the June 18, 2004 Amendment.

Respectfully submitted,  
COHEN, PONTANI, LIEBERMAN & PAVANE
